

Directions to Offices in Kingston upon Thames

By car:

One approach to Kingston upon Thames is via the A3 Kingston by-pass. The A3 provides a direct link to the M25 via junction 20. As you enter Kingston upon Thames, both offices are less than 1 mile east of the town centre on London Road (A308). Please contact your host to reserve parking.

For Clendon House... An ASDA store is virtually opposite. Car parking at Clendon house is accessed from the main road. If using SatNav enter post code KT2 6NH.

For Princeton Mews... This office is next to the "Big Yellow Storage Company" building on London road. The entrance is through electrically operated gates. Call the ODE reception on the intercom for access. If using SatNav enter post code KT2 6NU (*NB. This postcode is not for postal services*).

By train:

Kingston and Norbiton Railway Stations are within easy reach of the premises and provide a regular rail service to London Waterloo. Norbiton is the closer of the two stations.

Offshore Design Engineering Limited

10-14 Princeton Mews, and 167-169 London Road,
Kingston upon Thames, Surrey KT2 6PT, United Kingdom
