

Certificate of Approval

This is to certify that the Management System of:

Offshore Design Engineering Ltd

St George House, 5 St George Road, Wimbledon, SW19 4DR, United Kingdom

has been approved by Lloyd's Register to the following standards:

OHSAS 18001:2007

Approval number(s): OHSAS 18001 – 00026776

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Design, engineering, project management and procurement services including the management systems in support of Operational Support and construction site management to the International Oil, Gas and Renewable Energy Industries.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original OHSAS 18001 approval on 19-MAY-2006, SGS certificate number GB06/68580

David Derrick
